OBJECTIVE & SOLUTION

Our objective was to deliver help Mindful Chef raise the awareness level and literacy bar on all things diversity and inclusion. **Our solution** was to deliver D&I foundations training for the whole company. In cohorts of 20-25, we delivered activity-led training to spark the conversation and boost knowledge.

RESULTS SO FAR

100%

of attendees said how they view difference changed after the training

100%

of attendees say "When I feel part of the team my productivity is... *excellent!*"

100%

of attendees committed to take action to create a more inclusive team

89%

of attendees say "When I *do not* feel part of the team my productivity is okay/poor!"
